Nice to meet you, Joshua! I'm Joshua Oyediran, a Computer Science Major on track to graduate in 2025. Originally from Manhattan, New York, I grew up in Madison, New Jersey, but my family and I recently made the move to Alpharetta, Georgia. Aspiring to be a Software Engineer, I'm also drawn to fields like Data Science and Data Analytics within the vast realm of technology. When I'm not immersed in coding or exploring new tech, you'll find me hitting the gym, enjoying leisurely strolls in the park, or diving into extensive gaming sessions during my downtime. My faith in Jesus is fundamental to my identity, grounding me in life's journey. Known for my strong work ethic and collaborative spirit, I thrive in team environments, always focused on achieving our shared goals. Looking forward to connecting further!
